## NOTES:

Meet Charles, a shy boy who prefers to take his time getting to know new people. He may be a little reserved at first, but once you've earned your membership to the Charles Club, you'll discover just how sweet and affectionate he can be. Charles will thrive with a family that can provide structure, consistency, and a predictable routine as he settles into his new home. Building a sense of safety is the key to helping him shine. With patience and understanding, this sensitive boy is sure to reward his people with plenty of love and companionship.
