NOTES:

Cheesy is your typical fun-loving Husky with plenty of personality, a love for adventure, and a serious appreciation for her toys! She's not afraid to speak her mind and will happily keep you entertained with all the charm and conversation Huskies are known for. Cheesy is potty trained, does well when left home alone, and may enjoy sharing her home with a well-matched canine companion. With her playful spirit and outgoing personality, she could be a wonderful fit for a family looking for an adventure buddy or a fun-loving dog to join everyday family life. If you're ready for a loyal companion with plenty of personality, Cheesy may be your girl!
