NOTES:

Chupacabra is a lively, lovable pup looking for a family who can appreciate his spirited nature. This boisterous boy is bursting with personality and curiosity, but he's still figuring out the whole "manners" thing and will thrive with a family excited about training and structure. With patience, guidance, and a sense of humor, Chupacabra will transform from misunderstood myth into the best version of himself. If you're ready to tame this lovable creature, he's ready to join your pack.
