NOTES:

Meet Cookie Crisp, a sweet boy who may be a little shy when meeting new people, but it doesn't take long for his affectionate personality to shine through. Once he feels comfortable, he loves giving kisses, making biscuits, and soaking up attention from his favorite people. Cookie Crisp will thrive in a home that can provide patience, structure, and consistency as he settles into his new surroundings. With a little time to build confidence and feel safe, he's sure to blossom into a loving and devoted companion. If you're looking for a gentle cat with plenty of affection to give, Cookie Crisp may be the perfect addition to your family.
