

WHO WE ARE

Dogs on Deployment is a national nonprofit dedicated to giving veterans peace of mind by ensuring their pets are cared for during times of need.

HOW WE HELP

Through our Hero Pet Boarding Network, veterans can connect with trusted volunteers nationwide who provide temporary homes for their pets during hospital stays, rehabilitation, or while they get back on their feet. This service ensures that no veteran has to surrender or give up their beloved pets due to temporary circumstances.

We provide financial support specifically for veterans through the Rich Setzer Memorial Fund, covering pet-related costs such as emergency veterinary care or spay/neuter.
