NOTES:

Meet Fallon, a playful and spirited girl who knows exactly what she likes and isn't afraid to show it. She would do best as the only cat in the home, where she can soak up all the attention while continuing to learn what appropriate play looks like, as her enthusiasm can sometimes turn a little bitey. Fallon is equal parts cuddly and spicy, loving snuggles on her own terms and always ready to jump into a game when the mood strikes. For someone who appreciates a cat with personality, playfulness, and a little sass, Fallon will make a fun and rewarding companion.
