### **Rocky**

Rocky is pet of the week at your Rancho Coastal Humane Society. He's a 10 year old, 13 pound, male, Domestic Short Hair cat with a Grey and White Tabby coat.

Rocky was transferred to Rancho Coastal Humane Society through the Friends of County Animal Shelters (FOCAS) program in 2013. He was adopted, then spent the next six years in his home. Now he's a teenager with no signs of slowing down. Rocky's owner says that this cat needs more time, attention, and ear scratches than he can provide. So he brought him back to Rancho Coastal Humane Society and asked the adoption counselors to find a more active home and family for Rocky. Just like his namesake, Rocky the cat is ready to go a few more rounds.

The \$75 adoption fee for Rocky includes medical exams, vaccinations, neuter, and registered microchip. For more information call 760-753-6413, visit Rancho Coastal Humane Society at 389 Requeza Street in Encinitas, or log on to SDpets.org. Kennels and cattery open 11 AM to 5 PM every day but Tuesday.
