Notes:

Meet Fred, a certified good-boy who's always ready for adventure and snuggles! He's potty trained and a pro at walkies, making every stroll a tail-wagging good time. When he's not showing off his toy collection, you'll find him cozied up in bed, dreaming of his next play session. Fred would be a great match for a family seeking a mature dog with a history of training, and he may even enjoy living with a well-matched dog friend. If you would like to learn more about Fred, apply to chat with an adoption's counselor today!
