## NOTES:

Meet Gerber Baby, a sensitive little guy who likes to take introductions slow and build trust at his own pace. He's looking for a dog-savvy family that understands canine body language and is ready to help him feel safe as he settles into a new home. Once comfortable, Gerber Baby lets his playful, puppy-like energy shine and shows off a fun, goofy side that's hard not to love. He's highly food-motivated and eager to learn, making him a wonderful student for adopters excited to continue his training and confidence-building journey.
