NOTES:

Meet Gochujang, a beautiful husky girl with a gentle, thoughtful side. She can be a little reserved when meeting new people, but with a bit of patience, she warms up quickly and shows her sweet personality. Gochujang will do best with a family that can give her time to settle in while also providing the mental and physical stimulation huskies thrive on. With the right balance of understanding and activity, she's sure to become a loyal and engaging companion.
