NOTES:

Meet Gogo Yubari, a spirited girl with a big personality and plenty to say. She can be sensitive to fast movements and loud sounds, so she'll do best in a calm home that can offer some structure and routine as she settles in. Her foster shares that Gogo loves to play, is very vocal, and enjoys late-night zoomies once she's comfortable. She may take a little time to adjust to a new environment, but with patience, her fun and engaging personality really shines. Gogo is also on a prescription diet, so her new family should be prepared to continue that care. If you're looking for a playful, expressive companion and don't mind a little nighttime energy, Gogo Yubari could be a great fit.
