NOTES:

Meet Goomba, a quirky little guy with short legs, big charm, and absolutely no hesitation when it comes to making new human friends. This social pup loves attention and brings plenty of personality wherever he goes, happily waddling into hearts one greeting at a time. Goomba may still be working on his potty training skills, so he'll benefit from a patient family ready to help him learn the ropes. If you're looking for a fun-sized companion with a goofy streak and lots of love to give, Goomba is ready to level up your life.
