Notes:

Meet Jackson, a 15-year-old sweetheart with a gentle soul and a lifetime of love to give. This charming senior loves meeting new people and has a social, affectionate nature that makes everyone feel like an old friend. While Jackson does have some medical needs that our team would be happy to discuss in more detail, his spirit remains as bright and loving as ever. If you're ready to open your heart to a wise and wonderful companion, Jackson is ready to make your home his cozy retirement haven.
