NOTES:

Meet Lulu, a curious little explorer who's still learning the ways of the feline world!

🐾 Growing up as an only kitten, Lulu sometimes forgets what's a toy and what's *not*, so she's hoping to find a well-matched cat friend who can show her the ropes. She's bright, affectionate, and full of potential — she just needs a mentor (and a loving human) to help her grow into her best self. If you've got a friendly cat ready to take on an apprentice, Lulu is eager to join the team!
