NOTES:

Meet Lyles, a friendly guy who's still figuring out the rules of home life but is eager to make new friends along the way. He loves meeting people and brings an enthusiastic, happy energy wherever he goes. Lyles is still working on his manners and may need some help with potty training, so he'll do best with a family ready to guide him with patience and consistency. With a little structure and a lot of encouragement, Lyles is sure to grow into a wonderful companion.
