NOTES:

Meet MacArthur, a sweet and calm bunny boy with a gentle spirit. He can be a little skittish when meeting new people, but with patience and a quiet approach, he begins to relax and show his soft, easygoing nature. Like many rabbits, MacArthur will do best with a family that understands the unique needs of prey animals and is willing to let him build trust at his own pace. With the right environment and a little time, he'll make a peaceful and rewarding companion.
