NOTES:

Meet McNaldo, a friendly and boisterous boy who approaches life like one big adventure. He loves meeting new people, exploring his surroundings, and finding ways to keep himself entertained. With his outgoing personality and zest for life, McNaldo is sure to keep his future family smiling. This clever adventurer has discovered that fences are more of a suggestion than a rule and is capable of hopping a 6-foot fence, so he'll need a family committed to taking the precautions necessary to keep him safe and secure. McNaldo may also do best in a home where people are around more often than not, as he enjoys companionship and being part of the action. If you're looking for a fun-loving sidekick with a big personality and an adventurous spirit, McNaldo is ready to take on his next journey with you.
