NOTES:

McSweeny is a young Shepherd puppy with a big personality and an even bigger zest for life! He loves meeting new people and is eager to be part of whatever adventure comes next. Like any growing puppy, McSweeny is starting from the ground up with his training and will thrive with a family that is committed to providing structure, consistency, and positive reinforcement. With plenty of guidance, mental and physical stimulation, and patience, he has all the potential to grow into an incredible companion. If you're ready to invest in a lifelong best friend, McSweeny is excited to meet you!
