## NOTES:

Meet Megazorb, a tiny powerhouse with a soft side and a spark of chaos waiting to shine. She can be a little shy when meeting new people, but once she feels safe, her playful and spirited personality comes bursting through. Megazorb is still learning what counts as an appropriate toy, so she'll thrive with a family excited to guide her through training and help set her up for success. She can be a bit barky at times, making her a great match for adopters who appreciate a vocal little companion with plenty to say.
