NOTES:

Meet Muffy, a gentle senior lady with a soft heart and a lot of love to give. She can be a little nervous at first and may take some time to feel comfortable in a new environment, especially around loud noises or quick movements. Once she settles in, Muffy reveals her incredibly sweet and cuddly side and enjoys quiet moments close to her people. She would do best in a calm home where she can relax, feel safe, and be cherished for the loving companion she is.
