NOTES:

Don't let Munchkin's short legs fool you, this little lady has plenty of Husky spirit packed into a compact package! She is an active, fun-loving girl who is looking for a family that understands the unique needs and personality of the breed. Munchkin will do best with Husky-savvy adopters who can provide the structure, exercise, and guidance she needs as she transitions out of the shelter and into a home. With time to decompress, consistency, and plenty of opportunities to keep her mind and body engaged, Munchkin is sure to make an incredible companion. If you're ready for a pint-sized Husky with a big personality, Munchkin can't wait to meet you!
