NOTES:

Nico's story began on the streets of Mexico, where he was rescued as a puppy and given the chance at a better life. Now this sweet boy finds himself looking for a loving family once again. Nico is potty trained, polite around the home, and already has many of the skills that make him an easy companion, though he is still putting the finishing touches on his leash manners. He would be a wonderful fit for a family looking for a dog with a solid foundation who won't require starting training from scratch. If you're ready to give Nico the fresh start he deserves, he's ready to be your loyal companion for years to come.
