Notes:

Prepare for sparks to fly with Pikachu, a young and playful tom searching for a family to call his own. He can be shy at first and may take some time to warm up to his new surroundings, but we have learned that play is the way to his heart. If you would like to learn more about Pikachu, grab a wand toy and come chat with us today!

Here are a few of my favorite things:

- Napping
- Quiet Time
- My Own Space
