NOTES:

Meet Pony Boy, a young pup who's still learning his manners and figuring out the ropes of home life. He's full of potential and will do best with a family dedicated to continuing his training and providing clear, consistent guidance. Pony Boy thrives with a balance of mental and physical stimulation to keep him engaged and on track. With the right support, he's ready to grow into a well-rounded and devoted companion.

HERE ARE A FEW OF MY FAVORITE THINGS:

- NAPPING
- QUIET TIME
- MY OWN SPACE
- SUNBATHING
- CUDDLING
- MESSAGES
- BEING BRUSHED
- ATTENTION
- MEETING PEOPLE
- TRAINING
- PLAYING TUG
- PLAYING FETCH
- WALKS
- DOGGY PLAY DATES
- PLAYING IN WATER
