NOTES:

Meet Princess Vanelleope, a sweet and social girl with a big heart and an even bigger personality. She loves being around people and isn't shy about sharing her opinions, so she'll do best with someone who doesn't mind a vocal dog. Princess Vanelleope is still working on her leash skills and would thrive with an adopter willing to continue her training. If you're looking for a friendly companion who brings both charm and character to the table, this princess is ready to rule your heart.
