NOTES:

Meet Puffle, a strong, outgoing girl who never met a stranger she didn't want to be friends with. She's confident, social, and always ready to be part of the action. Puffle is also incredibly smart, and while she's still polishing up her manners, she's eager to learn and will thrive with continued training and guidance. This bright girl will do best with a family that can provide both mental and physical stimulation to keep her engaged and out of trouble. Whether it's training sessions, puzzle toys, adventures, or playtime, Puffle is happiest when she has a job to do. If you're looking for a fun, intelligent companion with a big personality and even bigger potential, Puffle is ready to take on her next adventure with you.
