Notes:

Meet Roger, a sweet young pup who was found as a malnourished stray, hoping the right family will come along to change his luck. Roger is a special needs dog that will need an experienced owner who understands his needs and is patient enough to give him a fair chance at a fresh start. If you are looking to take on a project and are ready for a special bond like no other, come chat with us about Roger today.

Here are a few of my favorite things:

- Napping
- Quiet Time
- My Own Space
- Sunbathing
- Cuddling
- Massages
- Being Brushed
