## NOTES:

Meet Shmeel, a gentle girl who prefers to take her time getting to know new people and surroundings. She may be a little shy at first, but once you earn her trust, she blossoms into a deeply loyal and loving companion. Shmeel is looking for a patient family willing to let her move at her own pace while she settles into home life. Give her a little kindness and consistency, and she'll reward you with a bond that feels truly special.
