## NOTES:

Scuba Steve is a handsome guy with a big, lovable face and the cutest little ears to match! He can be a little unsure in the shelter environment and is looking for a patient family that will give him the time and space he needs to decompress and settle into home life. With structure, consistency, and gentle encouragement, Scuba Steve should begin to feel more comfortable and let his personality shine. He may also enjoy sharing his home with a well-matched feline companion who can help him feel more at ease. If you're ready to give this charming guy the time he needs to blossom, Scuba Steve may be the perfect addition to your family.
