NOTES:

Meet Tess, a sweet girl who hasn't quite found her perfect match—but she's so ready for the right one to come along. Tess is an anxious pup who thrives with people who truly tune in to her needs and can offer consistency, patience, and lots of reassurance. She may also enjoy a playful doggy companion to help show her the ropes. Because Tess can be a bit destructive when she's unsure or under stimulated, she'll need a family committed to teaching her what is and isn't a toy and providing the mental and physical outlets she needs to shine. If you think that you're the right fit for Tess, come chat with us today.
