

# RANCHO COASTAL HUMANE SOCIETY

SERVING SOUTHERN CALIFORNIA SINCE 1960

Hi, my name is Tipperary (Female)

and my birthday is May 19, 2020.

I weigh 63 lbs and am a mixed breed.

### Current Training

- Four on the Floor
- Hand Targetting
- Attention with Distraction
- Down
- Sit
- Waiting for my Trainer

## Notes:

Tipperary is searching for a patient family to show her that home is where the heart (and treats) are plentiful. Her last foster shared that she is potty trained, likes to spend her day chasing lizards, and never jumped on the couch. Our trainers have worked closely with Tippy to help her feel safer and are happy to help you learn everything you need to set her up for success. If you think you give Tipperary a chance, come chat with an adoption's counselor today!
