Notes:

Meet Baba — a tender-hearted Siamese boy with a soft voice and a love for quiet moments. He's still learning to feel fully at ease, but his sweet chatter is a sign of the trust he's building day by day. Baba finds comfort in calm spaces, cozy nooks, and gentle companionship. If you move at his pace, he'll happily share his world with you — one soft meow at a time.

Here are a few of my favorite things:
