

RANCHO COASTAL HUMANE SOCIETY

SERVING SOUTHERN CALIFORNIA SINCE 1960

Hi, my name is Banksy (Female)

and my birthday is June 11, 2020.

I weigh 2.5 lbs and am a mixed breed.

 **Energy Level** 

low  High

The energy level scale consists of ten paw print icons. The fourth icon from the left is circled in red, indicating a low energy level.

Notes:

This bunny's got a talent for stealing hearts—Banksy's ready to hop into yours! This little lady is a sweet bun with a typical rabbit personality, she is looking for a patient family familiar with rabbits' nervous, delicate nature. If you have a quiet corner for Banksy to cozy up, chat with an adoption counselor to learn more about how she can become part of your family!

Here are a few of my favorite things:

-  Napping
-  Quiet Time
-  My Own Space
-  Sunbathing
-  Cuddling
-  Massages
-  Being Brushed
-  Attention
-  Meeting People
-  Training
-  Playing
