Notes:

Meet Churu, a sleek black mischief-maker with a serious case of the zoomies. Playtime isn't just a hobby for him, it's a full-time job, and he's always on the clock. Whether it's chasing toys, climbing furniture, or inventing new games on the fly, Churu brings nonstop entertainment with a side of sass. If you're ready for a cat who plays hard and loves even harder, Churu's your guy.
