

SERVING SOUTHERN CALIFORNIA SINCE 1960

Hi, my name is MoJo JoJo (male)
and my birthday is July 8, 2022

I weigh 45 lbs and am a mixed breed.

## **Notes:**

Mojo Jojo might be a bit of a slow burn, but once he opens up, you'll have a loyal friend for life! This sweet boy is reserved at first, but the allure of a little cream cheese is all it takes to break the ice and win him over. Mojo Jojo has thrived around other dogs and could be a great match for a home with a playful pup. If you have a little patience and a peaceful place for Mojo JoJo to settle down, chat with an adoption counselor to learn more.
